

Enabling a better automotive world

# FACE THE FACTS

Fact – Valeo is the *Original Equipment Clutch Supplier* for these popular applications

If this fleet of vehicles isn't impressive enough, you should see the rest!

At Valeo, we like to face the facts, and we are proud of the fact that we supply clutch kits to the aftermarket using the same high quality materials and manufacturing processes as those used to supply the auto makers. So, when we say we supply OE quality, that's a fact.

OE Engineered... Aftermarket Delivered  
The Winning Combination of Quality and Performance
